

02/ip_loader.h

```
graph TD; A[02/ip_loader.h] --> B[vector]; A --> C[string];
```

A diagram illustrating dependencies. At the top is a gray rectangular box with a black border containing the text "02/ip_loader.h". Two dark blue arrows originate from the bottom edge of this box. The arrow on the left points diagonally down and to the left, ending at the top center of a white rectangular box with a gray border containing the text "vector". The arrow on the right points diagonally down and to the right, ending at the top center of a white rectangular box with a gray border containing the text "string".
